

Southmoore, Weatherford and Drummond Win Sweepstakes Titles at SWOSU Interscholastic Meet

03.25.2011

Southmoore and Drummond high schools were repeat winners and Weatherford High School joined the sweepstakes ranks at the annual Southwestern Oklahoma State University Interscholastic Meet held March 24 on the Weatherford campus.

Southmoore won the Class I title and Drummond took top honors in Class III for the second straight year. Weatherford High School won top honors in Class II.

SWIM Director Shamus Moore said 71 schools from around Oklahoma competed in the academic contest, which has been a traditional event on the SWOSU campus since 1914. This year's event had approximately 1,500 students in attendance. Moore said 2,341 tests were given during the day.

The number of students enrolled in grades nine through 12 determines school class. Schools with 600 or more students are in Class I, 151 to 599 in Class II, and 150 and less in Class III.

In the sweepstakes competition, finishing second and third in Class I were Chickasha High School and Norman North High School, respectively. In Class II, Cache High School finished second and Elk City High School placed third. In Class III, Navajo High School won second place, while Ringwood High School finished in third place.

School and individual winners were also announced in the nine different categories of competition which were: art, biological sciences, business, computer science, language arts, mathematics, physical sciences, social sciences and technology.
